WELCUM TO LA

Nikki and Jayme are living, fucking proof that opposites attract. Red-headed Jayme is an innocent, perky young New England teen trying to make her way in LA. Nikki's a take-charge-type, savvy to the So-Cal scene and a great mentor for the ever-impressionable Jayme. From Nikki's probing hands and tongue lashings, Jayme learns the real *insides* of the glamorous LA sex scene as Nikki initiates her pink pussy to the tender surrender of sexual lust. Welcome to LA Jayme.

SMOTHERED n' COVERED 4

Acme Andersson

Director Mark Wood is very particular about the girls he casts in the Smothered n' Covered *series. It's all about the ass and the auditions are notoriously strenuous. Wood inspects each girl personally, and this is not just a little look-see.*

He starts by sticking his face between the girl's cheeks, checking requirement one, which is that he must be able to get lost in a girl's ass. Then there's the jiggle test. And the taste test. If he's still undecided, he'll take the girl for a little test drive.

Five girls passed the test for Volume 4: Claire Dames, Rachel Starr, Rosario Stone, Rebecca Lane and Brianna Love were all deemed worthy of appearing. Was all of Wood's rigorous screening process worth it? Absolutely!

Claire Dames & Mark Wood

Claire meets with Wood's wife, Francesca Lé, who thinks that this girl is just what the director is looking for. "He's really particular," Francesca warns her. Undaunted, Claire says she is certain that Mark will love her.

After subjecting the brunette lovely to his three-pronged ass test, she goes that extra mile to convince him by taking his dong in her mouth for a very persuasive blowjob. Once Claire has been introduced to cock, there's no stopping her. She asks Mark if she can get on top and ride his cock and Mark, no fool, grants her wish.

With Francesca working the camera and encouraging the pair, Claire quickly finds her rhythm and bounces energetically on his long schlong. First the focus is on her ass, then she turns around and displays a rack every bit as impressive as her bumper. Mark then bends her over, giving him a clear view of that sweet backside. As he plows her doggie her huge tits flop wildly and her nipples practically drag on the ground.

After taking each other through the ringer there's only one thing left to do—share a load with the fine lass. He jerks off onto her mug and she gives his pop a smear right into her mouth.

Insane in the membrane—of Claire Dames!

Brianna slides down on Mark's Wood!

Rachel Starr samples the product.

Rachel Starr & John Strong

She loves her boobs, she loves football and she loves cock—she's the perfect girl! Of course, the requirements for this movie go beyond sports and sex, there are mandatory physical attributes.

Mark checks out the behind on Rachel, bending her over a small stool, which is quickly swallowed up by her massive flipside. She shakes and jiggles and Mark is duly impressed. No doubt he'd take her for a ride himself, but that's why he brought John Strong along.

John gives her the taste test, which she seems to pass as John spends a good long time between her buns. Rachel returns the favors, giving his cock the gobble-and-gag. After a bit of this John finally allows her to take his pink steel in her perfectly-shaved snatch. She gets on top, ass to the camera, lifting and dropping in remarkable fashion.

John takes control after that, pumping her from behind, below and even the side, her tight twat gripping his cock as it thrusts in and out of her girlhole. It's the standing doggie, with Rachel's fingers dancing on her clit, that finally gets John ready to pop his fresh load. She asks him to cum in her mouth, and he agrees. Rachel drops to her knees, opens her moan hole and looks up at her man. He blasts, she swallows, gobbling all John's residue into her hungry tummy.

Rosario Stone & Mark Wood

Like the other girls, Rosario takes a lot of pride in her derrière. Once the camera is turned on, she does a long, playful sequence of showing off her sweet cheeks. She struts and shakes until Mark comes along and sticks his nose into her business. He rims her ass and squeezes her cheeks.

That seems to get his motor running, because when Rosario gets her hands between his legs his pecker is up and ready. Just to be sure, Rosario pops his cock in her mouth while giving him one of the most impressive handjobs a person will ever see. She then

When you wish upon a Starr—you'll pop a serious nut!

Oh Rosario!

Have fishnets—will fuck!

Lookin' back with an anxious crack!

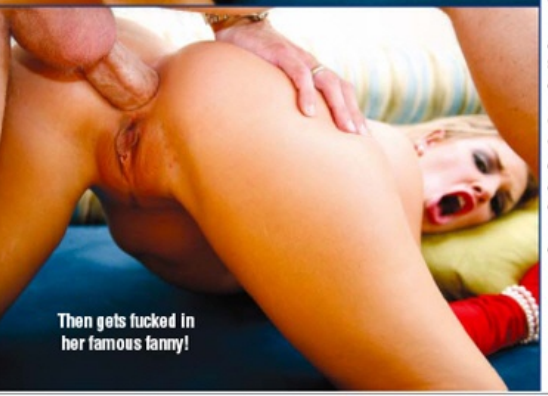
gets on top and finds her Latina rhythm as she bounces on his pole, muttering motivations in Spanish. Mark may or may not speak her tongue, but no doubt he grasps the meaning o what she's saying—she wants to be fucked harder.

By the time he bends her over the couch we are officially in bilingual territory. In the frenzy she goes completely native. There's no misunderstanding when she is squealing and shaking beneath him, her digits going wild on her clit and shouting "Si! Si!", that she is having a whoregasm.

Then it's Mark's turn and she gives him an impressive handjob, jerking his wad right into her mouth. She smiles for the camera and gives him one last sniff of her sweet ass before saying goodbye.

Rebecca Lane sucks...

Brianna blows Mark Wood...



Then gets fucked in her famous fanny!

...and screws Mr. Pete's meat!

Rebecca Lane & Mr. Pete

Few things show off a fine ass like a little bikini, so that's exactly what Rebecca wore to the set. Hot pink. The strumpet gives a walk-by, then goes for the pool, where she pulls down her bottoms and dips her ass into the water. Then the top comes off, showing off her relatively small tits. After some splish and a little splash, she heads into the house where Mr. Pete awaits.

With no introduction she sits on his face and he licks her twat while breathing in her ass. Soon she is doing some tasting of her own, sliding Pete's shaft into her mouth. They twist into a 69 position which they hold until Pete simply must penetrate her. He props her up on the couch, her plump ass high in the air, spreads her cheeks and gives the ho his heave.

She's a loud one, moaning noisily through gritted teeth as Pete takes his turn with her hole. He grips her cheeks as she presses toward him in an effort to get every centimeter of cock inside her. Pete drives her through all the positions, finally settling on a sideways doggie to get his rocks off. He offers up a king-size load, plopping the first few rounds on her tits, yet thoughtful enough to leave the rest on her face and mouth. She cups her tits, licks the cum off them and smiles for the camera.

Brianna Love & Mark Wood

By the time you read this Brianna may well have gone through with the boobjob she's been threatening, but here we see the vintage 34A model. Either way, she's a beauty and has arguably the finest booty in Pornoland.

As the director, Mark takes Brianna himself. She very slowly leads him upstairs, stopping to bend over teasingly. Finally upstairs, not a moment is wasted as Brianna, who quickly turns into a sex kitten. Mark puts his mouth on her onion ring and Brianna appears more than happy to have her tunnel tasted.

Once Mark finally comes up for air it's time for Brianna to put her ass to work. She gets on top, his lengthy meat sinking easily into her snatch. Her cheeks ride up and down while she turns around to look at the camera, telling Mark to squeeze her hips and fuck her harder.

Mark saved the best for last, with the brown-eyed girl eager to take his choad in her backdoor. As he thrusts harder and faster she tells him to "Take my ass! Take my ass and cum all over my face!" He *cum*plies, splattering jizz all over her pretty mouth (and pretty face and pretty little titties). She shows the load to the camera, swallows and giggles her goodbye. A fine sendoff.

FUCK MACHINE FRENZY

TAKE THIS JOB & SHOVE IT!

[redacted] (unless you are working a hot dog stand and your boss is a real dick). **Sasha Grey** finds her sexy-self sneaking into the company "private" room after her jerk boss makes her work late. What she finds is surprising for a weenie stand—a decadent play room complete with machines ready to please! She strips off her stained uniform and stains her own body with girl-juice as she fucks every machine in her way, getting true job satisfaction from **The Intruder**!

NO LIQUIDS OR MACHINES

Gwen Diamond runs a tight security check point at the airport—no gels, no, liquids and above all NO Fucking Machines! When **Naomi** tries to sneak a few contra ban items through, she is quickly escorted to a secondary station, where Gwen makes sure she thoroughly tests every kinky item naughty Naomi has. The two enjoy a double-ended ride on **The Little Guy** before moving on to some big pounding and double penetration compliments of **Twinserter**!

THIS MACHINE IS JUST RIGHT...

Sophia Lynn is a sweet, blonde, girl-next-door type looking for a new kinky experience. She strolls through the fetish halls looking at the shackles, whips, and spraying water towers—but still nothing seems quite right, until she walks past the machines in the sci-fi set and her curiosity takes over. **The Black Magic** gets her started, but it's **The Dragon** where she gets pounded until she jumps right off the machine!

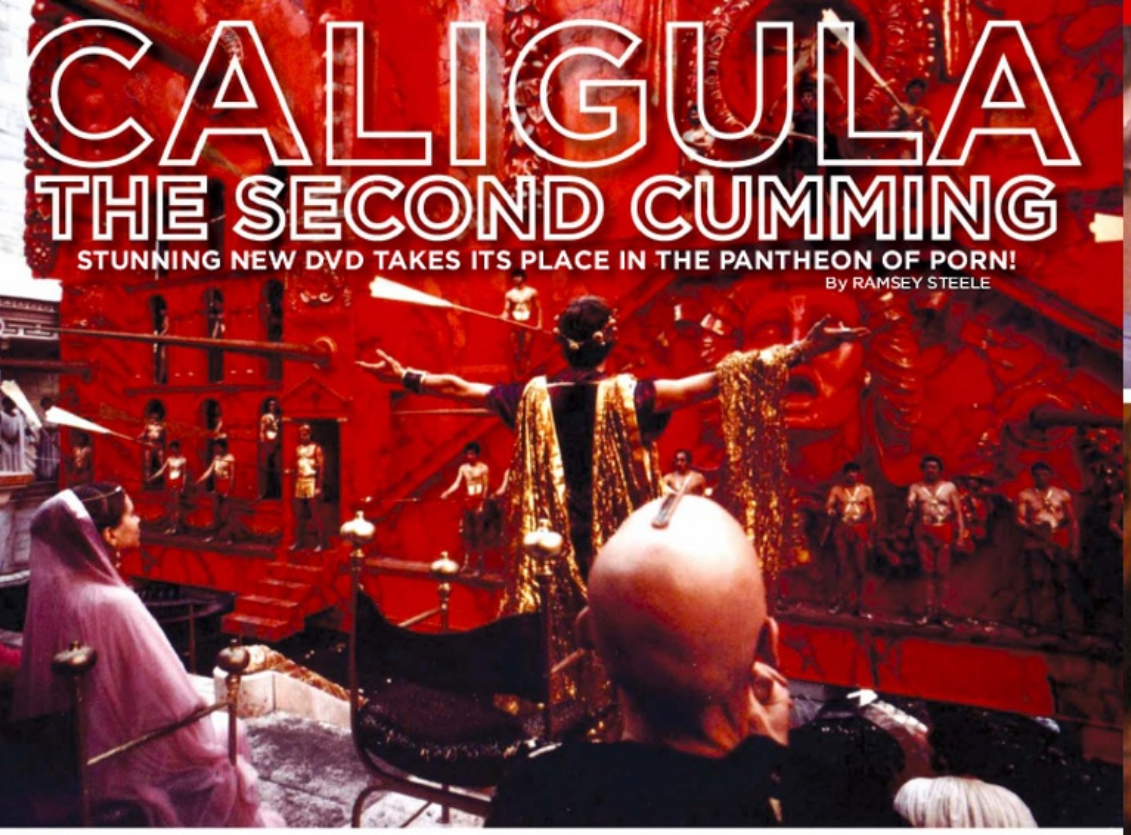
CALIGULA
THE SECOND CUMMING
STUNNING NEW DVD TAKES ITS PLACE IN THE PANTHEON OF PORN!

By RAMSEY STEELE



With its budget of nearly $20 million, a cast that includes **Malcolm McDowell**, **Helen Mirren**, **Peter O'Toole** and **John Gielgud**, a disowned screenplay by **Gore Vidal** and scene after scene of hardcore sex and violence, ***Penthouse*** Magazine publisher **Bob Guccione's** 1979 ***Caligula***, directed by **Tinto Brass**, was considered by many to be one of the most expensive, star-filled "home-made" pornos ever made at the time of its release. Today, nearly 30 years later, the film is looked upon by its legion of fans and fervent followers as a fascinating and important link between Hollywood's oh-so-glossy historical epics of the Fifties and Sixties—***Ben-Hur***, ***Spartacus*** and the like—and the more graphic and realistic depictions of the Ancient World produced over the past decade a la ***Gladiator***, ***300*** and HBO's ***Rome***. It's story of the Ancient Roman emperor Caligula (McDowell), who ruled his imperial land from 37 to 41 AD and was said to be insane, violent and wont to engage in carnal perversities of all natures, is an infamous one, and a tale ever-so-ripe for the telling in an epic motion picture. And with the film ***Caligula***, said era was regaled with splendor, garishness, and unabashed sexuality. It's a remarkable piece of epic filmmaking that finds an A-list cast of actors emoting on a vulgarly lavish Roman set finding themselves interrupted with frequent cutaways to the kind of material best suited for 42nd Street at the time. ***Caligula*** has been available in some dozen different cuts over the years, but with ***Penthouse's*** recently released ***Imperial Edition*** DVD, we feel safe in saying that the definitive version of the film is finally available to the public. Two cuts are offered in the DVD package—the unrated, uncensored theatrical version and an alternate pre-release cut featuring never-before-released footage—as well as a wealth of supplements, including newly recorded commentaries by stars McDowell and the always-game Mirren, who portrays Caligula's third wife, the nymphomaniacal Caesonia, a empress considered to be one of the most wanton and promiscuous women in Rome. Leave it to the Oscar-winning "Queen" to reveal all when it comes to the legendary behind-the-scenes stories that emerged from the infamous film's production. "Making the film was like being on an acid trip—it has its good moment and its bad moments, but all in

all, it was a fantastical journey." Dame Helen happily announces in her commentary as scenes of ancient Roman debauchery unspool on the screen. McDowell is equally forthcoming and lucid in his commentary track, often referring to Caligula's frequent on-set nudity, producer Guccione's cutaway insertions of actual, hardcore sex at certain moments in the film, and the film's army of extras, many of whom were Penthouse Pets that Guccione provided to dress up the sets with the appropriate decadent sexiness. "When [the Pets] first arrived, I think they thought they were supposed to be in some sort of James Bond movie. There was one being shot nearby, but it was being shot in Malta. They were nice girls. They were pretty game," McDowell remembered in a recent interview. "They were sent in because Guccione didn't think the extras we had been using were pretty enough. Tinto Brass threw up his hands and said, "This is Rome, for God's sake! This is Fellini's Rome!" Rome is not full of beautiful people by any stretch of the imagination, and it still isn't!"

The package contains a zillion other extras, including new video interviews with Brass, Guccione, and actors **John Steiner** and **Lori Wagner,** hours of deleted and alternate scenes, two versions of an extended making-of documentary, a host of mini-featurettes, behind-the-scenes footage, hundreds of on-set photographs, a gaggle of theatrical trailers and even a DVD-ROM link to Gore Vidal's original screenplay.

As Caligula has taken its rightful place in the pantheon as one of those famously huge celluloid misfires from the '70s that many have heard about but few have actually seen—think **Michael Cimino's *Heaven's Gate***—only filled to the brim with sex, nudity, and violence. This notoriety, abetted by its infamous production tales and a striking package featuring a bloody gold aureus emblazoned with a profile of star McDowell, has piqued the interest of those who've seen it on the new release shelf and aren't even wholly aware of the film's reputation. We've put together a sampling of some of the film's more startlingly sexual imagery and as you can see, Caligula ain't taking no hostages. And there's a whole lot more where that came from! So do yourself a favor and take a trip back to Ancient Rome courtesy of an insane emperor and the film that he hath wrought!

LUCKY FUCK

Here's a bit of good advice: If you're really horny and you just so happen to run across a hot Euro-slut named Lucky, take her home and fuck the shit out of her cum-starved body! Not only does Lucky suck a mean cock, she'll let you fuck her pink pussy AND her tight asshole, so long as you cum in her mouth when it's all said and done. Seems like a reasonable request to us...

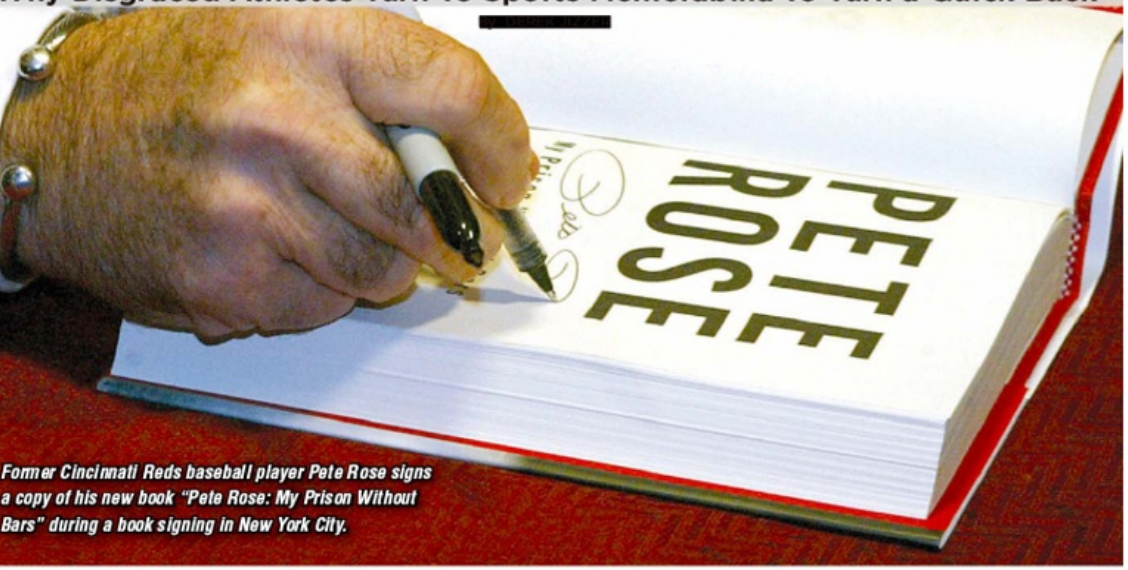
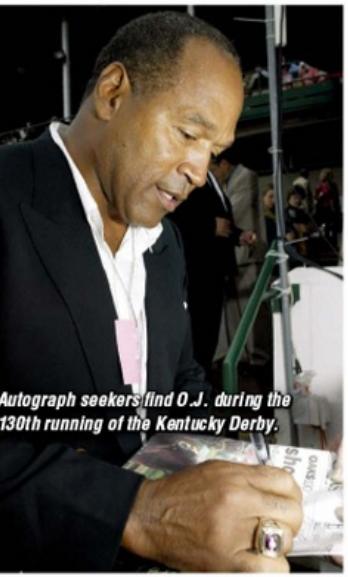
SIGNING THEIR LIVES AWAY

Why Disgraced Athletes Turn To Sports Memorabilia To Turn a Quick Buck



Former Cincinnati Reds baseball player Pete Rose signs a copy of his new book "Pete Rose: My Prison Without Bars" during a book signing in New York City.

Murderers. Cheaters. Gamblers. Dopers. Just some of the unflattering labels bestowed upon today's most disgraced, fallen sports heroes. Whatever the scandal that brought down some of sports' biggest names, attempts by athletes to bolster sagging fortunes by simply signing autographs—and getting paid huge sums of cash for it—appears to be an all too common misstep. If not behind bars, testifying before Congress, or writing a tell-all book to cash in on their own scandalous lives, many fallen stars have set their sights on sports memorabilia to continue to finance their lives and help restore their public image—with results as mixed as their sordid lives.



Autograph seekers find O.J. during the 130th running of the Kentucky Derby.

Most recently, O.J. Simpson was arrested in Sin City and currently awaits trial on more than 10 felony charges related to the alleged armed burglary of sports memorabilia from a "private" auction (one evidently conducted inside a nameless hotel room, not on an advertised convention floor as most of us are aware.) It is within these shady back-room auctions and autograph-signing sessions that many disgraced heroes turn-up, looking to finance or maintain a once-lucrative lifestyle now derailed and desperate for cash. They'll sign away anything—in some instances, the shirts off their backs.

While's O.J.'s most-recent legal woes have brought the seedy underbelly of desperado memorabilia moguls to light, The Juice was neither the first nor will he be the last to sign his life away. Other disgraced heroes also have found money, image repair, and a delusional sense of continued respect from fans and collectors willing to pay outrageous fees to troubled sports celebs caught in a shameless web of self-promotion, self-delusion, and unscrupulous greed.

"We just kept signing, figuring any day they would come in and say, 'OK, guys, that's it, no more.' But they didn't. For the entire 16 months that O.J. was incarcerated—up until the last day that he was in jail—we signed autographs. While they were deliberating the verdict, we were still signing."

The Juice Gets Squeezed

After dodging murder convictions in criminal court 14 years ago, O.J. is now staring at a bevy of charges related to his accused thieving of sports collectibles, which carry with them a potential of life imprisonment. Conspiracy. Armed Robbery. Hostage Imprisonment. More than simply a tale of someone getting their just desserts, the current list of charges suggest something else: they reek of ironic justice. Not only do most Americans smirk with guilty pleasure as the DA heaps more charges on O.J. and the alleged caper, but many of his co-defendants are now rolling over on him and cooperating with police. It seems everyone is enjoying throwing the book at such a hated figure.

Ironically, autograph signings and memorabilia sales are largely to thank for financing O.J.'s legal defense team during his murder acquittals in 1994, and why he's still around in the first place. According to a recent *Rolling Stone* interview with Mike Gilbert, a private memorabilia auction organizer, autograph signings with The Juice were routinely being conducted behind bars. "I would walk in at 10 A.M., and we would sign until ten minutes to eight in the evening," says Gilbert. "We just kept signing, figuring any day they would come in and say, 'OK, guys, that's it, no more.' But they didn't. For the entire sixteen months that O.J. was incarcerated—up until the very last day that he was in jail—we signed autographs. While they were deliberating the verdict, we were still signing."

Apparently, items to be signed were smuggled into the courthouse past reporters and photographers outside. "The market at that point had just gone insane," said Gilbert. "If something had been autographed in jail, people were willing to pay eight or ten times what they would have paid before. They wanted anything they could get: footballs, jerseys, helmets." It's crazy, but being a criminal in and of itself makes one a celebrity. Look at all the serial killers with groupies lining up to wed them.

Gilbert estimates that O.J. raised about $1 million from prison signings, mostly going toward his defense. "I would say that after the murders, the value of O.J.'s signature quadrupled, at least."

Fast-forward to the present: During the alleged heist, the police report states that Mr. Simpson's group left with boxes and pillowcases stuffed with $100,000 in merchandise, a far cry from his valued jailhouse antics. Many of the items in question were allegedly unrelated to Simpson, including signed lithographs of football great Joe Montana and baseballs signed by another scandalous memorabilia hound, Pete Rose. Most disturbing in his box of "*murder*abilia" goods were three neckties said to have been worn by Simpson during his infamous trial. With O.J.'s last chapter still unwritten, we must wait and see if karma comes full circle and sports memorabilia, which financed his freedom in the first place, will ultimately do him in.

O.J. Simpson and his attorney Yale Galanter appear in court on charges which include kidnapping, assault, and burglary at the Clark County Regional Justice Center in Las Vegas, Nevada.

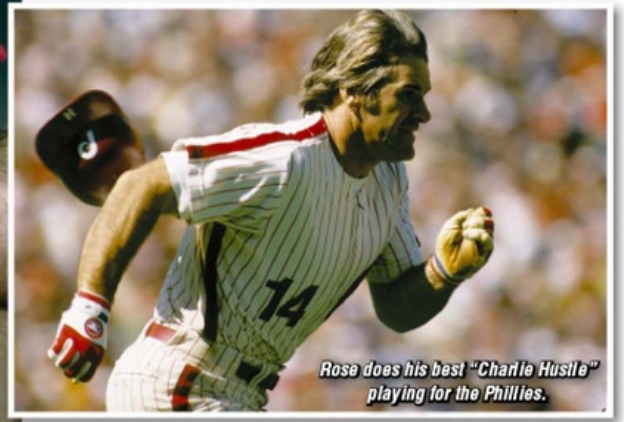
Pete Rose: Still Hustling

Speaking of irony and karma, baseball's hit king, nicknamed "Charlie Hustle," has indeed lived up to the *hustler* moniker of his hard-playing days, albeit in a much less respectable manner. Pete Rose—publicly maligned as an arrogant gambler, banned from baseball for life and cast out of baseball's innermost-circles—has managed to capitalize on his scandalous behavior better than perhaps any other fallen athlete. Most weekends you can catch him signing autographs at the Field of Dreams in Las Vegas, where Pete's regularly drawing crowds to sign anything for forty bucks.

It was Pete who publicly refuted betting on baseball in a book of denial, hoping for reinstatement into Major League Baseball and Hall of Fame Consideration. Years later, his support and chances of reinstatement dwindling, Pete reversed himself in his 2004 tell-all book, "My Prison Without Bars," fessing up to baseball's darkest scandal

"What, Me worry?" Pete back in his managing days with the Reds.

"Most weekends you can catch him signing autographs at the Field of Dreams in Las Vegas, where Pete's regularly drawing crowds to sign anything for 40 bucks."



Rose does his best "Charlie Hustle" playing for the Phillies.

Lance Armstrong winning his seventh straight Tour de France race; Atlanta Falcons quarterback Michael Vick leaves the federal courthouse following his arraignment in Richmond Virginia. Vick pleaded not guilty to dogfighting charges.

in exchange for heightened hardcopy sales. During this same greedy time, Pete's shameless lust for loot reached new and despicable levels as he allegedly signed 300 baseballs with the inscription "Sorry I bet on baseball—Pete Rose." A few have even turned-up in private memorabilia auctions, usually netting $1000 each or higher. Ironically, one was reportedly found in O.J.'s pillowcase the night of his alleged robbery.

Not Everyone Capitalizes on Their Shame

While O.J. Simpson and Pete Rose have shamelessly profited from their scandalous lives, the fickle market of sports memorabilia has not been so kind to other wrongdoers. Usually scandal and shame will plummet the value of an athlete's collectibles and signature. "I won't touch Michael Vick or Barry Bonds memorabilia," said Michael Valik, noted sports memorabilia collector. "Dog killers and 'roid allegations make for lousy sales."

Other steroid-shamed athletes such as Mark McGuire and Jose Canseco also saw their relative collector's value plummet in recent years along with their credibility. More importantly, because of their "perceived" steroid use, future baseball records can not be reconciled with past "sober" accomplishments. Hence, players who used steroids have forever altered the history books of America's national pastime.

But it seems to be a case-by-case basis. Five-Time Tour de France winner Lance Armstrong has weathered a steroid-scandal storm of his own with image and collectible value intact. "Cancer pity, handsome smiles, and famous girlfriend singers do a lot to garner pity. It's funny, but the court of public opinion—and memorabilia value—have their own laws of justice," explains Valik. "Some heroes fall so far, we become endeared to them in a twisted, paparazzi-induced fixation. We like hating them, which almost makes us *like* them."

Future *Hall of Famer & alleged steroid user Barry Bonds; former player and "Juiced" author Jose Canseco; former St. Louis Cardinal Mark McGuire being sworn in during a House Committee session on steroids.

THE MAKING OF VIV THOMAS' UNFAITHFUL #2 & BEYOND!

Future Unfaithful *co-stars Jo (left), seen here as a brunette, and Eve Angel (right) pick up where original cast members Lisa & Nella left off!*

From *vivthomas.com* comes the sequel to the story where infidelity changes everything, but love conquers all! It's the highly anticipated follow-up to Viv's acclaimed first film, *Unfaithful*.

The story continues where the last one left off, but this time Viv Thomas takes us back in time to show us how the the two main characters, Lisa and Nella, first met and how they fell in love. The film also delves into the manner in which the girls eventually split up. "This time I'd written more of an erotic movie than a porn movie," says Viv Thomas' right-hand man, producer/director Lewis T. "It was 60% sex, 40% story, a fully explicit film for couples, for a more mature audience. But the draw was that the sex once again had to be intensely erotic, so much so that it would turn anyone on, even someone who usually didn't like watching girl-on-girl. It had to be something no one had ever done before."

Gang's All Here: The cast and crew of Viv Thomas' Unfaithful.

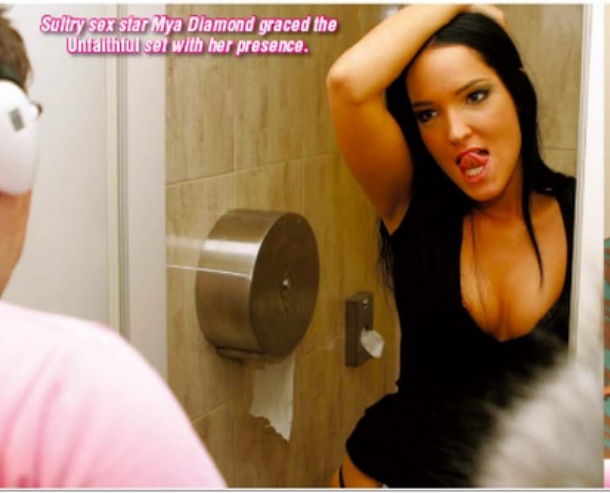
Lisa and Nella take a licking while the boys keep clicking.

Unfaithful co-stars Eve Angel and Jo work up a sweat in the bedroom.

One critic in particular responded in earnest, nailing the very nature of the film with his wise words: "Fully explicit and intensely erotic, *Unfaithful Part II* pushes the boundariess of art-porn. Tasteful. Beautiful. Evocative. It is the unique vision of a production team set on changing the way we view pornography. Capturing fervant and wild lesbian sex genuinely and with honesty, it is a fierce and powerful presentation."

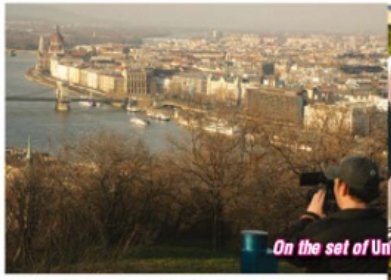
All of Viv Thomas' top-shelf girls are on-board for the seductive sequel, including Ariel, Mya Diamond, and Peaches. "Ariel, or Piper Fawn as she's been called, was a close friend of Nella's in real-life, so that is the exact role she was cast in," says Lewis T.

Newcomer Ariel was greeted with open arms—and lays—co-star Nella.



Sultry sex star Mya Diamond graced the Unfaithful set with her presence.

Mya Diamond and Lisa get down to business.



On the set of Unfaithful, a then-still-blonde Jo discusses her lines with a director.

Muff-diving divas Lisa and Nella turn up the heat!

Just another day in paradise for Viv Thomas and his girls!

Jo demonstrates proper digit technique for the camera.

And boy are there fireworks when Ariel and Nella finally hookup! For upcoming *Unfaithful* sequels, Viv would eventually call upon more of his amazing models, including two *vivthomas.com* regulars, Jo and Eve Angel.

Unfaithful Part II was released in July 2007. Several more *Unfaithful* sequels are now in the can and soon to hit the adult market. Don't miss them!

Unfaithful superstar Nella appears too pooped to pop.

SUB-DOM SLUTS
HIGH SOCIETY 14

Sarah tends to come on a little strong—which happens to be fine for Victoria, who likes it when her domineering lesbian lover takes *cuntrol* of their lovemaking. She not only wears the pants in this relationship, she also wears a big, black strap-on dildo that she likes to fuck her docile friend with. Our sub-dom lovers lick and probe the night away, tasting each other's tender gashes and frothy pussy juice.

GO GET YOUR *SHINE* BOX!

HIGH SOCIETY favorite Sandra Shine stopped by the offices looking sassy and sexy, with a dirty attitude to match! We figured it would be a great time to capture Sandra's *nastier* side—so we went to our kink closet and Sandra found some nice rubber fetish gear to truly express the way she felt. Sandra finger-fucked her kinky crotch and flaunted her fun-bags under the lights—and the results speak for themselves!
